The Stan Coster Song Contest

Manilla is Stan's home town and the locals there have taken his memory to heart and organised the October Long Weekend Music and Arts Festival around the festivities.

The contest is aimed at locating the best rendition of a Stan Coster song, of which there are hundreds to select from. The Perpetual Trophy for the winning performer is being hand crafted from a piece 'Gidgee Coal' brought in from Central Queensland. The craftsman involved is Manilla Entertainer and long time friend of the late Stan Coster, Reg McLoud. The competition will have 2 sections, Junior and Senior. Junior will be for performers 16 years and under. The Manilla RSL Club is the all day venue. There, the finals will take place on the Saturday night. The 2 winning performers will also be invited to performer at the big Sunday concert. Contest Entry Admission Fee in the competition is \$5 for Juniors and \$10 for Seniors. All contestants will receive a special Inaugural Competition Certificate. Winners will also receive merchandise prizes and fuel vouchers.

All entrants will be featured with photographs on the daily news page on the Internet, "Australasian Country News".
